- 20 Memo for the record, undated, by Hunt:
 "Subject: Procurement of Intelligence by Mrs. Dorothy L Hunt."
1. On 25 February 1963, I delivered to Mr. W. Lloyd George, Chief, FI, thermofax copies of a memorandum and a letter of transmittal dated 18 and 20 February

respectively. Both were prepared by Ambassador Antonio Garrigues for Prince Stanislas Radziwill and taken to the latter in New York by Alfonso de Borbon, 2d Secretary of the Spanish Embassy in Washington.

2. The purport of the material was to enlist the aid of Radziwill in (a) persuading the President to visit Madrid during his next European trip, and (b) conveying to the President the views of Ambassador Garrigues regarding U.S. - Latin American relations.

3. Mr. George regarded the material too sensitive to be handled by routine means, and decided to show it only to Mr. Helms.

4. On 27 February 1963, Mr. George telephoned me to say that he had just shown the material to Mr. Helms who

speculated whether ~~or not~~ ⁺ he ought not take it to the White House at once. Mr. George demurred, pointing out the sensitivity of the source (my wife), whereupon Mr. Helms indicated that nothing should be done with the material until Mr. George returned from a Far East trip and could consider the matter farther.

5. Mr. George then asked Mr. Helms whether my wife should register under the Foreign Agents Registration Act, and Mr. Helms said that under the circumstances she absolutely should not."

23 Memo for record by ^{employee} dated 18 April 1963. Discussed Hunt's memo + Bannerman's RS with ^{employee} Winters on 16 April. is worried because the situation could be embarrassing because "Mrs. Hunt is engaging in intelligence collection in the United States — without any official sanction for such activity." This was the problem anticipated when OS denied permission for the job. Both Winters + ^{employee} were concerned that the letter Bannerman suggested "might really 'stir up' all sorts of problems" because of the question of how the Security Officer

of DODS had gotten info that had been "handled on extremely high levels in the DDP complex." So they decided to ask Mr George if ~~Mr~~ it was intended to use Mrs Hunt operationally before writing the letter. ~~They~~ ^{employee} talked to George on 17 April who said he was not aware of OS disapproval and that there considerations were valid. George said that he would take the matter up @ Helms and Karamessines, and that the letter not be sent until the meeting between him, Helms, Karamessines and an OS rep had occurred.

24. Memo for Dir of Sec. from Chief /FI dated 5/10/63 says: "I have discussed the point raised by you with Mr Helms and while we agree in principle, we

believe that there is sufficient gain from the contact and certain peices of information to take the calculated risk..." This will continue until she quits on 6/30 due to pregnancy.

The background of this placement is the fact that Buckley worked for me as a Staff Agent in Mexico 1950-51 and we have remained close friends."

in script: "a copy of this has been sent to the Director. Will you please forward to Mr. Elder biographical material on Wm. Buckley."

This case was cancelled on 12/5/63 after derogatory information was discovered. On 12/9/63 Hunt requested clearance

for Boosten Herndon. A clearance with severe restrictions was given over ~~the~~ "serious security objection. Hunt cancelled the case on 5/14/64 because the burden of the restrictions. 42 Memo for the Record by ^{Employee} about the

David St. Johns article;
interview @ Raymond
Rocca; dated 2/14/74.

Follow-up in info in files
that two people ^{(PAUL GAYNOR}

~~CI/OPS~~ believed CI/OPS ^{employee}

had knowledge of Hunt's
writing activities. Rocca
was asked specifically about

- 1) any form of official ^{OR ENCOURAGEMENT} sponsorship of Hunt's work;
- 2) any assistance was asked
for from CI/OPS.;
- 3) any relationship between
that staff & Hunt.

"In response to these
questions Mr. Rocca
responded 'on the record'
that he has no knowledge
of any such arrangements
nor at any time was he
party to any assistance
or any requests for."
to Mr. Hunt. Mr. Rocca
stated that the particular
section which he had been

most actively concerned in the past years was responsible for handling a variety of tasks categorized under the area of 'setting the record straight.' In this sense, the 'image' mission of the office was to counter misinformation currently in the media or otherwise believed to be a part of an effort to discredit the Agency. Mr. Rocca feels that any assumption that Mr. Hunt was engaged in any form of Agency sponsored image activity would have probably lead to the conclusion that it was done under the Counter Intelligence Operations. However, Mr. Rocca emphatically stated that this was not the case. Mr. Rocca did venture the opinion that he felt that in all probability an official

24

acquiescence on the part
of senior officials might
have been involved
rather than an official
sponsorship..."

2. Confirmation of 1 above by memo dated 6/18/63. This memo says the Box will be used indefinitely, should be serviced daily and that the volume should be light.
3. Envelope: "Documents regarding Hunt's 'Letter Address' (Accommodation address) set-up in 1963 and terminated in 1965 - (address is still being used by another individual)"
4. request for CSA for Hunt dated 6/3/70. Cover Staff requesting so that he can be made witting of relationship with Mullen & Co.

The attached routing sheet says: "Security would not grant the requested clearance unless C/DDP was personally apprized of their interest and written concurrence was obtained."

5. Memo to DDP from CCS dated 10/14/70. ~~Paragraph 4~~
The memo says that OS will not grant the clearance without assurance that the DDP "does not have an overriding interest or objection." Paragraph 4 says:

"Inasmuch as Mr. Hunt is already witting of the current cover arrangement with the company which he reportedly will soon ^{HEAD} lead and because the use of the company in other locations where it has cover potential would require his knowledge and

assistance, CCS requests that you approve the clearance."

The recommendation was approved on 10/14/70 by Thomas Karamessines who asked to be kept posted.

An attached routing slip says that Security's reservations stemmed from the book "Give Us This Day".

6. Memo for the Record dated 9/13/74 by S. D. Breckinridge reports learning of the tramp photo allegation from John Hicks who had heard it from Art Lundahl who had heard it from Sam Jaffe. The memo notes ~~it~~ the info was also passed to the DCI and OLC.

7. Memo for the record by Breckinridge dated 9/20/69

reports Hunt's files have been reviewed to determine his location on 11/22/63. For 4 week pay period ending 11/23/63 Hunt took 11 hrs. sick leave + no annual leave. Following pay period he took 3 hrs sick leave and 27 hours annual leave. Travel records show official travel to New York in 9/63, 10/63 + 12/63. There was no official travel in 11/63.

8. Jack Anderson Article: "A Bum Rap for Frank Sturgis in Miami" from the WP, Tuesday, April 16, 1974, p B15. Praises Sturgis + dismisses allegation.
9. Memo for the Record ^{employee} by [unclear] dated 10/15/74, to record actions taken regarding allegations based on trump

photos: met with Seymour Bolten, Special Assistant to the DDO on 10/10/74:

"I discussed the action that I had taken with respect to this allegation approximately six weeks ago at the request of the Director of Security. At that time various courses of action were discussed but our action was limited to a review of both [Hunt + Sturgis'] files and a search of our records which produced the Jack Anderson article referred to above and which is attached ~~3~~ (This article was made available to Mr. John Richards of the IG Staff at that time.)

4. Mr. Bolten appeared satisfied and advised that no further action appeared necessary at this time. However, he expressed some

concern over the possibility that we might have to re-open the matter again if and when the Agency is ever asked about same by one of the Congressional oversight committees insofar as the allegation pertains to Hunt because he was an Agency employee on the date in question. If this should occur, we would probably have to produce evidence that Hunt was not in Dallas on that day. We discussed various courses of action that we could take in this regard if necessary. "

10. Memo for the Record states that DD5+T have been asked to compare the tramping photo with a photo of Hunt - "DD5+T's conclusions are unknown" dated 5/28/75.
